# ”3-BRUSH-GEAR” for very wide but only 10-25cm height ducts

## NEW ACCESSORY FOR HYDMASTER 40 AND COMBICLEANER 40:

### **Tynex ball brush 150mm or 250mm**

- Half of bristles are aggressive Tynex abrasive material
- Half of bristles are soft 0,5mm nylon bristles

**Notice how bristles dig into corners of duct, effectively cleaning everything in 1 go back and forth (remember to change the rotation direction once coming back)**
