

NEW INNOVATION FROM LIFA AIR:

Battery operated brushing machines

LIFA Special Cleaner 20 BATT

LIFA Special Cleaner 2 BATT

LIFAair®

LIFA Special Cleaner 20 BATT

Easily controlled 20 m (66 ft) long exible shaft on reel. For max 315 mm (12 inch) round ducts and 200x200 mm (8x8 inch) rectangular ducts. Weight only 30 kg (66 lb).

Widest range of brushes to choose from for all kinds of ductwork (from exible insulated ducts to stainless steelpipes) and dirt (from dryer vent lint to combustible or hard attached dust).

LIFA Special Cleaner 2 BATT

Portable light-weight unit in carry-on heavy duty box on wheels. Weight only 13 kg (28 lb). Back-pack accessory available also. Easy and fast connection for the 3 different LIFA driller shafts* which are chosen as per your needs:

- Wire cable (direct rectangular ducts)
- Extra exible 8 mm shaft (small round ducts with many 90-degree bends)
- Flexible 10 mm shaft (both round and rectangular ducts with bends)
